

Dear Friends,
AREA Meeting and RALLY for
Parks & Open Space!

Encourage the use and preservation of the hills, agricultural lands and open space within Union City for an economically sustainable future.

The Masonic Homes of California proposes a 10-year hillside development with parking and roadway expansion on the flatlands. NO park and 10-years of development? **Let's Spring into ACTION**

—We need a better plan!

Please join us Saturday, April 29th 12 PM for 3 events:

Area Meeting 12-1:00 PM, (Whipple Road/Mission Boulevard)

1- Hillside Area Plan and Policies

2- Masonic Home 10-year development & Union City 75-acre parkland shortfall,

Elizabeth Ames Save Our Hills
3- Let's hear from you!

Your vote in 1996 Measure II and in 2014 Measure KK supports hillside area plan partnerships with the East Bay Regional Park District, the City and developers for parks and permanent open space protection. We can do this!

Thank-you for over 20 years of open space and hillside view protections; a stunning landscape!

Sincerely,
Elizabeth Ames
