

HIGHWAY WILL DESTROY RAMIREZ FARM!

Union City is planning to build a \$300+ million, 4-lane Highway 84, Quarry Lakes Parkway, ON OUR FARM- Is this necessary?

Protect Watershed | Greenway | Local Farm on Alvarado-Niles Rd.

More sprawl on farmland and our hills will connect to this Highway designed to accommodate 35,000 cars/trucks per day. This is contrary to the carbon emission goals for Union City and Fremont.

SAVE RAMIREZ FARM FOR FUTURE GENERATIONS
